Foundress of the Apostolic Carmel Congregation

Mother Veronica (Miss Sophie Leeves, born on October 1, 1823), Foundress of the Sisters of the Apostolic Carmel, Mangalore, Karnataka, India, was deeply religious and highly intellectual, an English woman attracted by Christ, gave her entire life to God. In 1868 the Apostolic Carmel was established in Bayonne, France, and in 1870, in India. Her mission was to educate and empower the women in India.

About the College

PATNA WOMEN'S COLLEGE (Autonomous) established in 1940, is the first institution of higher learning opened to cater to the educational needs of women in Bihar. Bishop B.J. Sullivan S.J., Bishop of Patna (Founder) and Mother M. Josephine A.C. Superior General of the Apostolic Carmel named it Patna Women's College and presented it as a gift to the Women of Bihar, thereby placing at their disposal an opportunity for higher education. The College is run by the Catholic Religious Sisters of the Apostolic Carmel, an indigenous educational body founded in 1870.

The College was granted the status of Degree College in July 1941. In the year 1952, a Special Status was given by the Government of Bihar and it became a 'Constituent College' of Patna University. On 25.07.2007, the Government of Bihar, officially declared Patna Women's College as a 'Religious Minority College'.

The College whose hallmark has always been Quality and Excellence, has been accredited by NAAC with 'A' grade for three consecutive cycles with CGPA 3.51/4 in 2010 and CGPA 3.58/4 in 2015. The college also has been accorded as 'College with Potential for Excellence (CPE)' status from UGC in three phases in 2004, 2010 and 2015. The University Grants Commission (UGC) has conferred Autonomous status to Patna Women's College in January, 2018.

The College forges ahead to face the challenge of 21st Century, explosion of information, management of knowledge, integration of Information and Communication Technology (ICT) with education, curriculum innovation and curriculum reforms. This also includes establishing synergic partnership with industries, HEIs and R & D Organizations, developing a Research Centre and creating an enterprising spirit in students.
